

Futurevolc dissemination records: 1 April 2014-31 March 2015

Stakeholder/user groups/external partners

Type of activity	Main leader (First author's institute)	Title	Date	Place	Type of audience Scientific – Industry – Civil – Policy makers - Medias	Size of audience (approx.)	Countries addressed
Poster	UNIGE	Risk assessment for tephra dispersal and sedimentation: the example of four Icelandic volcanoes	20/11/2013	World Meteorological Organization, Switzerland	Industry Scientific Community	100	International
Presentations	UNIGE	Volcanic ash and aviation	05/09/2013	Fonds National Suisse, Bern, Switzerland	Policy makers	50	Switzerland
Oral sci event	UNIGE	Volcanic plumes and ash dispersal	25/03/2014	2 nd ARISE workshop, Malasia	Scientific Community	100	International
Oral sci event	UNIGE	Volcanic plumes and particle sedimentation	06/11/2014	Workshop on Particle Transport, Aarhus, Denmark	Scientific Community	50	International
Article	Cambridge	When the Earth Roars	15/11/2014	<i>The War Cry</i> , 7193 pp. 9–11.	Civil society	50,000	UK
Oral sci event	Cambridge	Earthquakes triggered by Bardabunga, Iceland	02/2014	Bullard Labs, Univ of Cambridge	Scientific community	30	UK
Oral sci event	UNIVBRIS	Integral models of volcanic plumes	13/06/2014	Cascades volcano observatory, USGS, Vancouver, WA, USA	Scientific community	40	USA
Oral sci event	UNIVBRIS	Modelling volcanic plumes	21/11/2014	University of Oxford, UK	Scientific Community	30	UK
Presentations	UNIVBRIS	Meeting on volcanic plumes and ash dispersion	24/03/2015	Met Office, Exeter, UK	Scientific Community	8	UK
Presentations	UNIVBRIS	Discussion on unsteady plumes	12/03/2015	University of Bristol, UK	Scientific community	1	UK
Oral sci event	UNIVBRIS	Unsteady motion of volcanic plumes	04/12/2014	BP Institute for multiphase flows, University of Cambridge, UK	Scientific community	40	UK
Oral sci event	UNIVBRIS	Flows of suspended and fluidised particles	19/08/2014	Banff International Research Station for Mathematical Innovation and Discovery	Scientific community	45	International
Oral sci event	UNIVBRIS	The dynamics of volcanic plumes and intrusions	01/04/2015	University of California Santa Barbara	Scientific community	20	USA
Oral sci event	UNIVBRIS	Volcanic Source Term Estimation using Plume Models	08/2014	Servicio Geologico Colombiana Bogota, Colombia	Scientific community	30	Colombia
Oral sci event	NERC	New insights into Icelandic volcanoes: development and implementation of volcanic gas monitoring in Iceland	07/11/2014	British Geological Survey, Keyworth, UK	Scientific community industry	50	International
Oral sci event	UI	Iceland: Precursors to eruptions, warning times, monitoring challenges and the way forward	08/04/2014	UI, Reykjavik, Iceland	Scientific Community	20	Europe
Oral wider	UI	Staðan í Kötlu nú. Áhrif stórra Kötluhlaupa á Vík í Mýrdal (the present status of Katla.	23/7/2014	Vík, S-Iceland	Civil society Policy makers	100	Iceland

public		Effect of large Katla jökulhlaups on Vík)					
Oral sci event	UI	Hættumat vegna lítilla og meðalstórra hlaupa frá Sólheimajökli. Bráðabirgðasamantekt um útbreiðslu hlaupa næst jaðri. (Hazard assessment due to small and medium sized jökulhlaups from Sólheimajökull. Preliminary overview on inundation areas close to glacier edge)	23/7/2014	Vík, S-Iceland	Scientific Community Industry Policy makers	30	Iceland
Oral wider public	UI	Le volcan Bárðarbunga et l'éruption a Holuhraun	13/10/2014	Reykjavik and Bar sur Seine (France)	Civil society	20	France
Oral wider public	UI	Umbrotin í Bárðarbungu og Holuhrauni Hugsanleg áhrif á Suðurlandi (The unrest in Bárðarbunga and Holuhraun, possible impact on S-Iceland)	13/10/2014	Hella, S-Iceland	Civil society	150	Iceland
Oral event	UI	Í ríki Vatnajökuls- jarðvangur eldgosa og jökulhlaupa (In the realm of Katla – a geopark of eruptions and jökulhlaups)	27/10/2014	Hotel Vík, Vík, Iceland	Industry Policy makers	30	Iceland
Oral wider public	UI	Le volcan Bárðarbunga et l'éruption a Holuhraun	21/11/2014	Reykjavik and Bar sur Seine (France)	Civil society	20	France
Oral wider public	UI	Umbrotin í Bárðarbungu og Holuhrauni (The unrest in Bárðarbunga and Holuhraun)	05/12/2014	Egilsstaðir, Iceland	Civil society	80	Iceland
Oral sci event	UI	Role of InSAR and ground-based techniques in monitoring active volcanoes in Iceland	29/01/2015	University of Leeds, UK	Scientific Community	20	UK
Oral sci event	UI	European collaboration for improved studies of Icelandic volcanoes: Status of the FUTUREVOLC project after the initial 18 months	12/06/2014	GEO European Projects' Workshop (GEPW-8), Athens	Scientific Community Policy makers	100	Europe
Flyers	NUID UCD	EPA 2014 National Information Day on Horizon 2020 Societal Challenge 5 on the 2 nd of October.	02/10/2014	National Information Day Horizon2020	Policy makers	200	Ireland
Oral wider public	NCIP	The volcanic eruption in Bárðarbunga and Holuhraun and its effect on local community, on infrastructure, on industries and services. Number of open and closed meetings. Some meetings were streamed online	2014	Iceland	Scientific Community Industry Civil Society Policy makers Medias	1000	Iceland
Oral sci event	NCIP	Social Services in Times of Disaster Multidisciplinary Nordic Symposium: Workshop, A case of creeping crisis – Bárðarbunga; the earthquakes and volcanic eruption in northern Iceland	05/05/2015	Nordic House, Reykjavik, Iceland	Scientific community	50	Nordic countries
Oral sci event	NCIP	Volcanic eruption in Iceland	15/04/2015	Rescue centre, Reykjavik, Iceland	Scientific community	10	Nordic countries
Oral sci event	NCIP	Swedish Defence University: Civil Protection system in Iceland and the Volcanic eruption in Bárðarbunga	25/03/2015	Rescue centre, Reykjavik, Iceland	Scientific community	50	Nordic countries
Oral sci event	NCIP	Implementation of FUTUREVOLC WP3 into the EU Civil Protection Mechanism. First meeting at the ERCC. Introduction of the FUTUREVOLC Icelandic volcanic catalogue interactive database.	08/05/2015	EC-ERCC (Emergency Response Coordination Centre).	Scientific Community Policy makers	10	Europe
Oral wider public	IMO	Umbrotin í Bárðarbungu og Holuhrauni	29/09/2014	Hið Íslenska Náttúrufræðifélag, Reykjavik, Iceland	Scientific Community, Civil society	100	Iceland
Oral wider public	IMO	Vöktun umbrotanna í Bárðarbungu og Holuhrauni	21/10/2014	The Icelandic Glaciological Society, Reykjavik, Iceland	Scientific Community, Civil society	100	Iceland
Oral wider public	IMO	Umbrotin í Bárðarbungu	11/12/2014	The Icelandic Science Society, Reykjavik	Scientific Community Civil society	100	Iceland
Oral wider public	IMO	Eldsumbrotin í Bárðarbungu: Rannsóknir, viðbrögð og vöktun	20/03/2015	University of Akureyri, Iceland	Civil society Scientific community	100	Iceland
Oral wider public	IMO	Eftirlit með umbrotunum í Bárðarbungu	19/03/2015	Annual meeting, Icelandic Meteorological	Civil society Scientific community Policy makers	150	Iceland

				Office, Reykjavik, Iceland			
Oral wider public	IMO	Eftirlit með umbrotunum í Bárðarbungu	25/03/2015	Ministry for the Environment and Natural Resources, Reykjavik, Iceland	Policy makers	50	Iceland
Oral sci event	UNIFI	Infrasonic Monitoring of Volcano and Aviation safety	22/06/2014	Buenos Aires VAAC, and Aereolinas Argentina, Buenos Aires, Argentina	Scientific community	40	International
Oral sci event	UNIFI	The Global scale Spectrum of the Volcanic Hazard	27/08/2014	Global Risk Forum , Davos, Swiss	Policy makers	50	International
Oral wider public	UI	The eruption in Bardabunga	19/09/2014	Local governments in East Iceland	Policy makers	70	Iceland
Oral sci event	UNIVBRIS	The 2010 Eruption of Eyjafjallajokull and Volcanic Ash Hazard to Aviation	03/04/2014	UK	Scientific Community	100	UK
